

LANZHOU, THE GOLDEN CITY

is charming with life and business.

Here you can enjoy fabulous Silk Road scenery in midsummer.

Lanzhou, the golden city, also geographic center of China, is a place where your heart longs for and where your dream comes true.

Lanzhou, an important city on the Silk Road, has been a transportation hub and military fortress that connects regions of all directions since ancient times.

Lanzhou, the golden city, is the land of the Yellow River, where pleasant climate meets grand river waves.

It is the only provincial capital city where the Yellow River passes through.

Noted as Modern Central City

- 2017 No. 1 Best places to visit in Asia
- 2020 China's Top 10 most livable cities
- 2021 Top 10 cities with the highest overseas cultural and tourism influence

- + There is no severe cold in winter and no extreme heat in summer.
- + The Lanzhou waterwheel built along the river is vigorous and unique;
- + Zhongshan Iron Bridge is known as “the First Bridge of the Yellow River”;
- + The sculpture of the Mother Yellow River, being the representative of the Yellow River culture and the image of the Mother of the Chinese nation, is believed one of the most beautiful urban sculptures in the country;
- + The one-hundred-mile Yellow River Scenic Route is the longest urban riverside park and the largest urban belt park in the country, known as the “Bund of Lanzhou”.
